The following terms constitute a sales agreement between the seller, Deborah Knowlton and the buyer(s) _____ regarding the puppy described below:

Puppy: _____ Microchip _____

DOB _____ Sex _____ Color _____

These terms are entered into and agreed upon by all parties on _____. Therefore it is agreed:

*This puppy is sold on an AKC Limited Registration, it is understood that the puppy is sold as a pet and will not be used for breeding purposes. Purchaser agrees to not spay or neuter prior to it's 7th month birthday. The buyer agrees to have soft pallet and nares evaluated at time of Spay / neuter, if needed, surgical correction will be done at this time. The Buyer's understanding and acceptance of this condition is signified by his/her initials: _____ Date: _____

*This puppy has been delivered to the buyer(s) with age appropriate inoculations and worming. We strongly recommend that your vet examine the puppy within 72 hours of purchase.

* This puppy is guaranteed to be free of congenital defects for one year from the date of birth. If a congenital defect is suspected, the buyer(s) shall notify seller within 3 days of diagnosis with veterinarian's written report. The seller reserves the right to have the dog checked by a veterinarian of our choice and if the prognosis is confirmed, we will replace the dog as availability allows. All warranties are for replacement and/or credit only and not for refund of purchase price in whole or in part or for reimbursement of medical/veterinary expenses in whole or in part – not to exceed the cost of the puppy. The buyer's understanding and acceptance of this condition is signified her by his/her initials: _____ Date: _____

*The Buyer(s) acknowledges that the Puppy, like many other breeds, does have some common health concerns inherent to the breed. These include, but are not limited to parasites, cherry eye, hernia, allergies, reproductive organs (except if puppy is sold on a full registration, breeder will ensure upon veterinary examination that both testicles are descended prior to sale) patellar luxation, diabetes, grade 1 autoimmune disease and that any disease/condition onset that may be due to diet or other environmental factors or due to injury are excluded from guarantee. The Buyer(s) assume all responsibility and future and subsequent treatment for any and all health problems. At no time will financial restitution be made to the buyer(s) for health problems incurred. The Buyer(s) understanding and acceptance of this condition is signified her by his/her initials: _____ Date: _____

*The Buyer agrees that if at any time in the life of this puppy the Buyer is unable to keep this puppy for whatever reason, that the puppy should be returned to the Breeder with no refund, or at least the breeder should be notified and have first choice in placing the pup.

*Deposit and Payment: A 1000.00 non-refundable deposit is required to hold the puppy. The balance due shall be paid in cash to the seller at the time of delivery of the puppy. If for any reason the seller cannot deliver the puppy due to sickness or any other reason, the deposit will be refunded.

Initials: _____ Date: _____ Balance Due: _____

Puppy microchip must be registered within two weeks of purchase. If not registered within two weeks the Health Guarantee is no longer valid.

_____ Code: _____

All parties have read and understand the terms of this agreement. No other warranties or guarantees, expressed or implied, are made under this contract, except as stated within. This contract is legal and binding. Agreement is signed and dated in duplicate. This contract is signed in the County of Tioga, in the State of New York. Any civil action brought between the breeder or buyer must be filed in the County of Tioga, State of New York.
